

PAOLO MARTINI

B.S IN COMPUTER SCIENCE AND TECHNOLOGY

PaoloMarDev_@outlook.com | [Paolo - LinkedIn](#)

Software Engineering student with experience in developing applications, websites, and video games. I have knowledge of programming and agile methodologies focused on quality and user experience, such as Scrum. I am analytical, responsible, and committed to continuous improvement. I am passionate about creating technological solutions that integrate creativity, logic, and usability, and I am dedicated to ongoing learning and professional growth.

KNOWLEDGE

- Worked developing multiple applications
- Participated on game testing and creating and submitting detailed QA reports
- Softwares: Unity, Microsoft Office applications, ClickUp, Trello

SOFT SKILLS

- Responsibility • Leadership • Teamwork • Problem solving • Communication
- Tecnology Adaptation • Critical Thinking

EXPERIENCE

Mac Service Desk

Mac Computadoras. - 2025

- Academic project with Mac Computadoras in which we develop a mobile and web technical support application based on a ticketing system. Participation as Scrum Master and developing the web application using React and CSS. This also included API creation, SQL database development, and documentation based on the Scrum agile methodology.

Runic Rush

Aulify. - 2025

- Developed the videogame “RunicRush”, a medieval fantasy endless runner game made in Unity Engine, in collaboration with Aulify, to enhance their educational platform through gamification. Also we implemented an API-based web integration, a login system connected to the company database, and a user statistics dashboard using React, AWS, JavaScript, and SQL.

EDUCATION

Monterrey Institute of Technology and Higher Education - ITESM

Expected Graduation 2027

- Student in ITESM / B.S in Computer Science and Technology

ACHIEVEMENTS

- Academic recognition “CREMA” for excellent performance in the January - July 2025 semester.
- GPA 3.9

LANGUAGES

- English (B1-B2) • Spanish (Native Language)

CERTIFICATIONS

- Scrum Fundamentals Certified (SFC)
- EBAC, Development with Unity
- BIG school: Initiation to Development with IA
